APPLICANT CERTIFICATION:

I hereby certify that the information and exhibits herewith submitted are true and correct to the best of my knowledge and that in filing the application I am acting with the knowledge and consent of the owners of the property. I understand that acceptance of this application by the Caroline County Planning, Codes & Engineering and receipt of the application fee by the County does not necessarily mean that the application is complete and will be approved under the applicable requirements of the Caroline County Subdivision Regulations. I understand that this proposal may be delayed in processing if the information provided is incomplete, inaccurate, or submitted after the application date. The Caroline County Planning, Codes & Engineering staff and other applicable agencies shall review the plat for compliance with all requirements and ordinances. Any deficiencies shall be noted in writing or on the plat and returned to the applicant for correction and re-submittal when the initial review is complete. This review process averages 4-12 weeks but occasionally is longer depending upon the complexity of the project. Proposed plats must meet all requirements of the Caroline County Zoning Ordinance and Subdivision Regulations including but not limited to minimum lot size, lot width, etc. I grant permission for the Caroline County Planning, Codes & Engineering employees with proper identification access to my property during the review of this application.
